**310 N. State St. Suite 206  
Lake Oswego, OR 97034

- We are located in the Lake View Village in downtown Lake Oswego, which is located at the corner of State Street and A Street. This mall has stores like Sur La Table, Chico's, Manzana, Five Spice, etc.
- To park – you will turn onto 1<sup>st</sup> Street off of A Street. State St. (or Hwy 43) runs in front of our building, but you cannot park well on State St. When you turn onto 1<sup>st</sup> St, you will pass Peet's coffee and Holy Taco on your left. Immediately after Holy Taco there is a driveway taking you to the parking garage. Turn left down the drive and into the parking garage.
- When you enter the garage, half way down, you will see some glass doors on the right side with a sign above it that reads "State Building Office Lobby". There is also a large sign for Homestreet Bank.
- Enter into the lobby – You will see our name on the board.
- Go to the second floor and we are suite 206 (the same floor as Homestreet Bank). Our sign above our door will read "Medical Professionals Financial Group/McCoy Foat Wealth Management Group."
- If you are arriving after hours, or on a weekend, the doors will be locked. Please call Mackenzie on her cell to let you in. **206-719-6923**
