**310 N. State St. Suite 206
Lake Oswego, OR 97034**

- We are located in the Lake View Village in downtown Lake Oswego, which is located at the corner of State Street and A Street. This mall has stores like Sur La Table, Chico's, Manzana, Five Spice, etc.
- To park – you will turn onto 1st Street off of A Street. State St. (or Hwy 43) runs in front of our building, but you cannot park well on State St. When you turn onto 1st St, you will pass Peet's coffee and Holy Taco on your left. Immediately after Holy Taco there is a driveway taking you to the parking garage. Turn left down the drive and into the parking garage.
- When you enter the garage, half way down, you will see some glass doors on the right side with a sign above it that reads "State Building Office Lobby". There is also a large sign for Homestreet Bank.
- Enter into the lobby – You will see our name on the board.
- Go to the second floor and we are suite 206 (the same floor as Homestreet Bank). Our sign above our door will read "Medical Professionals Financial Group/McCoy Foat Wealth Management Group."
